1 lb. romano beans

bunch radishes

.5 lb. arugula

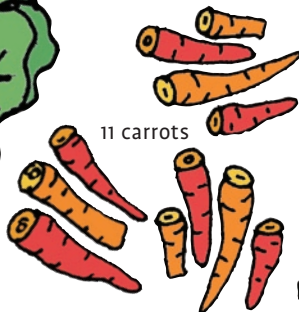

3 bunches kale

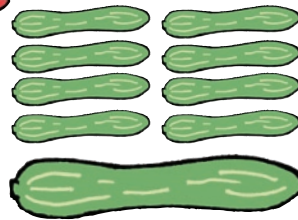

2 bunches chard

11 carrots

9 zucchini

JULY TOTALS

Total produce cost for July is \$84.01 **L** = local, **NL** = not local, **G** = garden harvest. I spent about \$10 less last month on local produce, now that the garden is producing more food.

L 71.94

NL 12.07
