NL

pomegranite: 2.99

bananas: 1.00

2 lemons: 1.00

1 orange: 1.07

1 avocado: 1.99

2 bags cranberries: 4.00

cilantro: 1.50

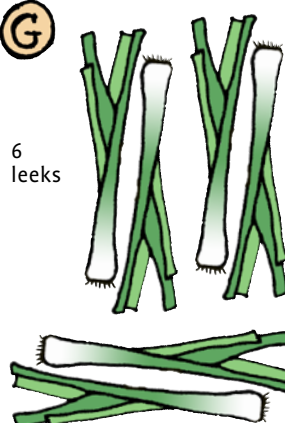

5 limes: 1.86

G

6 leeks

NOVEMBER TOTALS

Total produce cost for November is **\$79.92** **L** = local, **NL** = not local, **G** = garden harvest. An uncharacteristic, several-day-long cold snap killed just about everything in the garden. Beets, leeks and some chicory survived.
